

## PETVET CAT MOTEL Lower Hutt

The PETVET Cat Motel on the top floor at PETVET Lower Hutt has everything you want and best of all it is cost competitive, too.

ALL THE CARE YOUR PET NEEDS!

### FREE VET CHECKS

When your cat arrives at the PETVET Cat Motel it is given a routine health check by a vet – so you have peace of mind while you are away. If you have any particular concerns just mention them to the vet and if your cat needs any routine attention (such as teeth or nail clip) now is a good time for it to be done.

### FOOD YOUR CAT LIKES

PETVET Cat Motel knows that cats have likes and dislikes just like humans. We feed your cat a diet that gives it all the vitamins and nutrients it needs – and takes into account what it prefers to eat.

### EXERCISE

When you see the comfortable, home environment quarters you will notice how we've included plenty to keep your cat happy and active.

### LOVE & ATTENTION

At the PETVET Cat Motel the staff love cats and give your cat love and attention while it is with us. A vet looks in on them during the day, too.

## HOME LIKE

When your cat is away from you it needs a similar environment to settle into. The rooms at the PETVET Cat Motel are well ventilated, warm in winter, cool in summer, have plenty of light from secure windows, toys to play with, places to nap in the sun or shade.

## HYGIENIC SLEEPING QUARTERS

Inside each of the rooms there are large individual units big enough for plenty of exercise space and where your cat eats, drinks and sleeps. The cages take individual cats - or if you have two cats twin size cages are available. There are a maximum of 8 units in most rooms.

## COMPETITIVE RATES

PETVET Cat Motel will take care of your cat overnight or for as long as you want us to. Although the PETVET Cat Motel provides more than most catteries do our rates are still fair and competitive.

Many people tell us just how difficult it has been to find a suitable place that will take care of your cat when you are away. A place where you can be sure your cat will be in good hands, well cared for in your absence and where it will be happy and can come to no harm.

For your convenience and your cats' safety the following rules apply:

-  Your cat should have a current worm treatment
-  Your cats' flea treatment should be up-to date
-  Your cat will need a current vaccination against Feline Infectious Enteritis
-  Your cat must have received a vaccination against 'Snuffles' within the last year
-  We will give your cat a free Health Check on admission
-  Male cats over 6 months old must be neutered
-  We prefer kittens over 4 months old
-  FIV positive cats must board in Backpackers
-  We need your deposit at the time of booking for Public Holidays

To make a booking contact PETVET Lower Hutt.

To avoid disappointment book early for Public Holidays.
